

## Job shadowing Programme :- Host company

### Eligibility

- The company should be in the aviation, space or other STEAM-related fields
- Be able to host at least two learners for job shadowing for five days
- Provide lunch for the learner
- Assign a mentor for the learners for the duration of the programme

### The host company will give the learners an opportunity to

- Gain exposure to a variety of careers in the aviation, space technology and any other STEAM field
- Gain a better understanding of the job elements of their career interest.
- Learn what type of education is needed to gain entry to this career.
- Build confidence in young women to pursue higher education and careers in STEAM.
- Gain exposure to collaborative work environments and innovative thinking

### Benefit for the host company

- Opportunity to mentor
- As a public benefit organisation (PBO), we can provide a section 18A certificate for the cost associated with the job shadowing programme
- Marketing purposes:- Logo with a link to your website
